Dear Residents,

It's that time of year again - the commencement of the holidays begins this month and continues through the end of the year! With the economy the way it is, you should think about starting your holiday shopping now, watching for sales and opportunities to make the best of your dollar. Remember, as you start shopping, you need to be extremely careful in parking lots. **LOCK** your car, do not leave packages where they can be seen, and always be aware of your surroundings when going to and from your car. When you return home, **LOCK** your car in **OUR** parking lot. Year-round, this is a good practice.

This month, our community will take on the look of the "season". When decorating, concentrate on your own doors and windows, leaving our breezeways open and decor-free. Check with the office if you have any questions about the hanging of holiday trimmings or the ornamentation of your apartment.

We are truly happy you have chosen to make your home with us and encourage your comments and suggestions.

A cozy welcome....
